

CAUTION

PRECAUTIONS WHEN USING SHREDDERS

- Loose clothing, long hair, or jewelry may become entangled in the shredder.
- Other precautions:
 - Unplug the shredder before maintenance, repair or troubleshooting.
 - Replace guards or covers immediately after maintenance or repairs.
 - Keep the shredder **"OFF"** when not in use.
 - Empty the waste paper container frequently.
 - If a jam occurs, use the shredder's reversing feature to attempt to clear. If manual efforts are needed, unplug the unit and keep the plug within your sight while clearing the jam. Be careful not to contact the blades
